Installation

① Stick the adhesive tape in the middle of the camera bottom
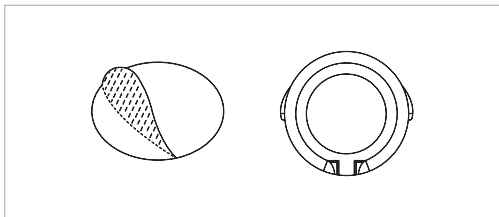

② Put camera on a clean surface or wall

Set Up After Adding Smart Sensor
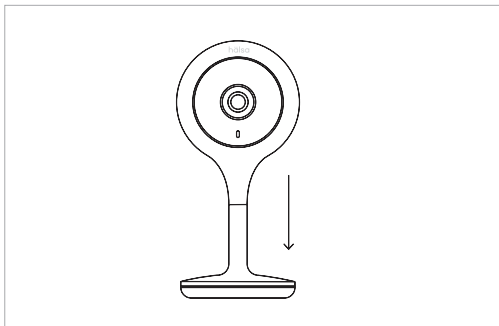

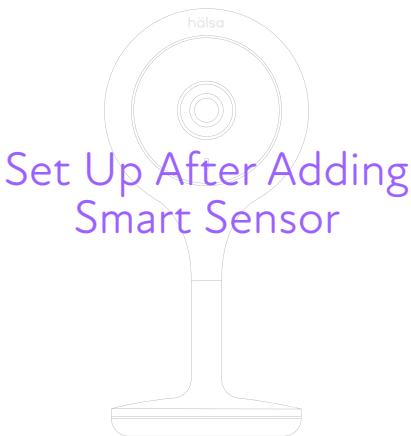

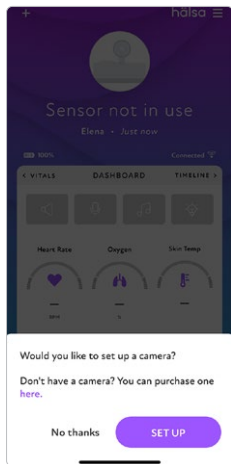

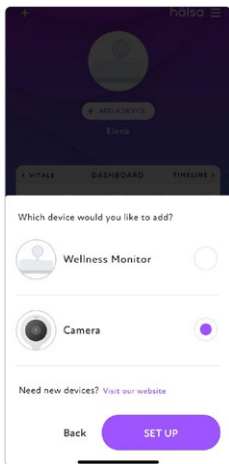

# Set Up After Adding Smart Sensor

①

②

After adding your Hälsa Smart Sensor & Ankle Band, you will be taken to the dashboard and automatically be prompted to set up a camera. Tap "Set Up".

Select "Camera" and tap "Set Up"

Set Up After Adding Smart Sensor

③

Camera Setup

STEP 1 of 4

Please Power on the device.

Please place the camera and phone close to your router for best signal.

CONTINUE →

Plug your Camera in and power on device

④

Camera Setup

STEP 2 of 4

Check the camera's indicator light. If slowly blinking red, it's ready to pair. If fast blinking red, it's trying to connect.

A blue light means it's already connected and you need to reset. To reset, press and hold the pinhole. RESET
